

All Hard Shell Chin Straps and all Buckles are made with extra-strength polycarbonate plastic.

“Pro” Style

High Hook-up

LCT9 - Adult Foam Cup
LYT9 - Youth Foam Cup

“Pro” Style Low Profile Hard Shell.

Directional slots provide secure alignment for perfect high or low attachment position. All padding is Comfort-Curve design with non-slip convoluted soft foam. All buckles on chin straps are standard same color as strap color.

Profile

Hard Shell Interior Padding

“Pro” & “Protection Plus” foam cup

Non-restricting extra soft convoluted white foam cup holds tight to the chin. Padding covers all plastic edges.

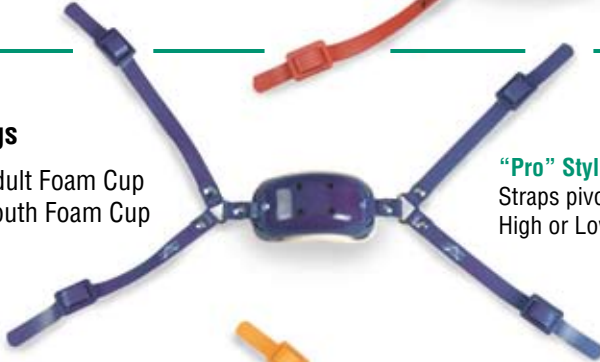

Low Hook-up

LCT4 - Adult Foam Cup
LYT4 - Youth Foam Cup

“D” Rings

UCT9 - Adult Foam Cup
UYT9 - Youth Foam Cup

“Pro” Style “D” Ring Hard Shell.

Straps pivot on “D” Rings to reach either High or Low Hook-ups.

Select: Colored Cup and Strap

“Protection Plus” Style

High Hook-up

HCT9 - Adult Foam Cup
HYT9 - Youth Foam Cup

“Protection Plus” Style Hard Shell.

Shell design is cantilevered for lateral dispersion of force. Plus the extra-deep cushioned padded cup provides the most protection possible.

Profile

Low Hook-up

HCT4 - Adult Foam Cup
HYT4 - Youth Foam Cup

To Order:

1. Use 4 letter/digit product number.
 2. Specify color of hard cup.
 3. Specify color of strap.
 4. Specify buckle color.
- Metal buckles also available.

Retail Packaging
To order add “X” to product code. Example: LCT9X

#HSCS - Hot stamp twice each chin strap
#STMP - Tool charge for hot stamp

Note: All Chin Straps can be hot stamped with any name in black or white using 3/8” block letters. Straps are stamped on each side with a 60 piece minimum order and 3 week delivery. If we already have a hot stamp available, there will be no tool charge.
